In Part With The  
 WRAMTA 2007 Annual  
 Conference  
*Music Therapy:*  
*Your Operating System*  
*for Life*

Opening Session

2:00—2:50 pm

Featuring Dr. Barbara Wheeler,

Dr. Barbara Wheeler, MT-BC is currently the AMTA President, Director & Professor of Music Therapy at University of Louisville, and co-editor of interviews for *Voices*, a World Forum for Music Therapy. Take advantage of this tremendous opportunity to learn from this researcher, author and clinician.

Plenary Session

4:00—5:00 pm

Featuring Lisa Jackert & Robin Rio

Introduction to Strength Based Improvisation

SBI recognizes that the strengths of the client(s) and therapist are related in facilitating clinical improvisation. Focus will be on taking part in improvisation experiences aimed at discovering the music self.
